Eligibility Questions:

These questions are to find out if your organisation is eligible for funding, please answer honestly because during due diligence you will be asked to demonstrate the accuracy of your answers and we don't want to waste your time. If you have any questions, just email uk-kfc-foundation@yum.com.

Contact Details

Please provide contact details for the person who you would like us to correspond with in relation to your application to the KFC Youth Foundation.

Organisation details

This is the bit we are excited about! It's tough in 150 words but please tell us a bit more about your organisation and who will benefit for the grant; check out the criteria below against which we'll be reviewing your application.

Finances

We are asking for your organisation's latest accounts detailing income and expenditure and if the accounts are over 12 months, your organisations income and expenditure for the past 12 months as well. This is to make sure your organisations income is under our threshold of £300,000. We will not be able to provide grants to organisations over this limit.

Video

Please upload your video to the online portal.

This part of the application is Marmite! We love it, I know that this is outside the comfort zone of some, but they add real colour and depth to your application.

Think about this as your chance to showcase what you do, it's your chance to tell us what your organisation is all about! Don't worry if people don't want to be filmed (although of course we'd love to see your team) you can use pictures or a PowerPoint presentation with a voice over.

Your video submission:

- Should be no longer than 2 minutes (I know tough, but we have A LOT to watch) we will only watch the first 2 minute of any video.
- Videoed in landscape
- For any videos or images sent as part of the application, the applicant must ensure they have obtained the necessary written consents from any individuals appearing in those videos or images.
- Your video does not need to be highly produced, all singing and all dancing. Something filmed on a phone is perfect and honestly these are my favourite; you cannot beat passion and knowledge. Substance over style is key!
- Tell us about how KFC Youth Foundation funding would fit into your existing offering.
